0 of 0 review helpful Good book for theologians By Henschen I bought this book as a gift for my son He is a scholar and enjoys reading about theological matters He highly recommends the book to others 1 of 2 review helpful Five Stars By Customer This might be the best purchase I ve made on here I m an undergrad student getting a Biblical Studies degree with a Ph In his reflections on Christianity Saint Thomas Aquinas forged a unique synthesis of ancient philosophy and medieval theology Preoccupied with the relationship between faith and reason he was influenced both by Aristotle s rational world view and by the powerful belief that wisdom and truth can ultimately only be reached through divine revelation Thomas s writings which contain highly influential statements of fundamental Christian doctrine as well as observations There are readers of Aquinas s works but Penguin s surpasses all by its sheer size the very representative choice of texts the excellent translations and scholarly informative introductions mdash Albert E Gunn Lang
