## Materialist Theory of Religion:

5 of 5 review helpful Engaging and informative By Folly Pancakes I have a Ph D in the academic study of religion so have read quite a bit of theories about religion past and present Vasquez s is nuanced wide ranging coherent and provocative and is worth the time to read This book challenges the traditional idea that religions can be understood primarily as texts to be interpreted decoded or translated In More Than Belief Manuel A V Vasquez argues for a new way of studying religions one that sees them as dynamic material and historical expressions of the practices of embodied individuals who are embedded in social fields and ecological networks He sketches the outlines of this approach through a focus on body practice Surveying a vast expanse of interdisciplinary terrain More than Belief should find a wide ranging audience Vasquez provides accessible and astute summaries of theoretical approaches while articulating a rigorous theory of material religion and of
