From Oxford University Press : The Oxford Handbook of Philosophy of Religion (Oxford Handbooks)

philosophy of religion is quot;the philosophical examination of the central themes and concepts involved in religious traditionsquot; it is an ancient discipline being john langshaw austin 1911 1960 j l austin was one of the more

influential british philosophers of his time due to his rigorous thought extraordinary The Oxford Handbook of Philosophy of Religion (Oxford Handbooks):

The philosophy of religion as a distinct discipline is an innovation of the last two hundred years but its central topics the existence and nature of the divine humankind s relation to it the nature of religion and its place in human life have been with us since the inception of philosophy Philosophers have long critically examined the truth of and rational justification for religious claims and have explored such philosophically interesting phenomena as faith
