From Oxford University Press : Indian Philosophy in English: From Renaissance to Independence western philosophy is the philosophical thought and work of the western world historically the term refers to the philosophical thinking of western culture sarvepalli radhakrishnan 1888 1975 as an academic philosopher and statesman sarvepalli radhakrishnan 1888 1975 was one of the most recognized and influential Indian Philosophy in English: From

Renaissance to Independence:

2 of 2 review helpful mikeahm By mikeahm If you are looking for a place to start with Modern Indian Philosophy this is a good book Indian Renaissance which began in the nineteenth century with philosophers including Aurobindho Vivekananda and reaching its magnificence with Gandhian philosophy The Ideas presented are complex and written within historical and social context of India under British Rule It is hard work an This book publishes for the first time in decades and in many cases for the first time in a readily accessible edition English language philosophical literature written in India during the period of British rule Bhushan s and Garfield s own essays on the work of this period contextualize the philosophical essays collected and connect them to broader intellectual artistic and political movements in India This volume yields a new understanding of cosmopolitan consci All students and scholars of Indian and comparative philosophy will find this anthology most beneficial Excellent bibliography and useful index Highly recommended R Puligandla CHOICE About the Author
