Practice of the Presence of God:

26 of 27 review helpful One of the Best Books I have read as an adult By Peter Levy When I went to the seminary this was a book one of my professors recommended so I got it and read through it in a couple of hours and was amazed at how in depth this book is for as small as it is The first time I read this book was in 1993 and I have read it at least once a year since then Sometimes I have misplaced the tiny paperback an Here is a guide for all Christians aspiring to union with God which according to Brother Lawrence is the ultimate goal of every soul The new Image edition of The Practice of the Presence of God is a reissue of the 1977 translation that was the first to appear in decades It features an in depth Introduction by John J Delaney that examines what is known about Lawrence s life how the book came to be and its ongoing relevance throughout the ages In Language Notes Text English French translation From the Publisher The newly translated version of the seventeenth century spiritual classic Beautifully rendered and divinely inspirational this devotional masterpiece
