shakespeares works I And Thou:

10 of 10 review helpful I and Thou review By Carl Cleveland I love Martin Buber s language in describing relationships as either I Thou or I It I find this very helpful when working with groups to help them understand how subtle differences can quickly change the relationship and damage communications While the concept is simple the nuances and subtle issues in practice are certainly not and like all good human rel Martin Buber s I and Thou has long been acclaimed as a classic Many prominent writers have acknowledged its influence on their work students of intellectual history consider it a landmark and the generation born since World War II considers Buber as one of its prophets The need for a new English translation has been felt for many years The old version was marred by many inaccuracies and misunderstandings and its recurrent use of the archaic thou was s com I and Thou Martin Buber s classic philosophical work is among the 20th century s foundational documents of religious ethics The close association of the relation to God with the relation to one s fellow men is my most essential concern Bu
