**By Mark Larrimore : The Problem of Evil: A Reader** introduction all of us struggle at one time or another in life with why evil happens to someone either ourselves our family our friends our nation or perhaps the problem of evil asks if an omnipotent all knowing morally perfect being aka god exists why do bad things happen The Problem of

Evil: A Reader:

26 of 26 review helpful The rock of atheism By Kerry Walters The so called problem of evil has been called the rock of atheism which threatens to shatter the hull of religious faith This is more than appropriate If you re an atheist bad things happening to good people is tragic but not mysterious The physical universe is indifferent to individual humans and all of us are equally susceptible to germs viruses na This Reader brings together primary sources from philosophy theology and literature to chart the many and changing ways evil has been approached and understood and to examine the diverse implications it has had for belief and unbelief Will fill a major gap in the publishing market Provides primary source readings for courses on religion and evil A key issue in religious The greatest strength of the reader apart from the sheer number of selections is the impressive variety of approaches This richness of variety lends a particular grace to the volume making for lively and engaging reading The volume will prove a valuable
