By Warren Matthews : World Religions uri launches its first website for kids and interactive learning tool about world religions adherents is a growing collection of church membership and religion adherent statistics over 44000 statistics for over 4300 faith groups from all world World Religions:

1 of 1 review helpful You can find better By T JONES This book is not written from the perspective of each religion or from a neutral position as it should be I has several mistakes and even leaves out at least one major holiday for Islam I m glad I had a great professor to fill the gaps 0 of 0 review helpful Interesting By David Corvera Book did come in new B WORLD RELIGIONS Seventh Edition methodically introduces readers to the richness and diversity

of these traditions The Worldview sections in particular make this the most helpful textbook for comparative analyses of the religions In these sections readers can see how the different religions approach a common set of ten themes that are fundamental to all traditions including the nature of the Absolute the place of humans in the world rituals and symbols and the This text concentrates on the two most important aspects for understanding religion from an academic standpoint historical development and worldview analysis The content is nicely geared toward drawing the attention of the student
