2 of 2 review helpful The famous British Explorer s retelling of classic Indian folklore By Dave Loeff author Captain Sir Richard Francis Burton translated 10 volumes of the Arabian Nights proper plus half as many volumes of

supplemental material However his translation of Vikram and the Vampire only includes 11 of the original 25 stories Not only is it a quicker read its writing style is far less archaic than that of PREFACE TO THE FIRST 1870 EDITION THE genius of Eastern nations says an established and respectable authority was from the earliest times much turned towards invention and the love of fiction The Indians the Persians and the Arabians were all famous for their fables Amongst the ancient Greeks we hear of the Ionian and Milesian tales but they have now perished and from every account we hear of them appear to have been loose and indelicate Similarly
