From State University of New York Press : Phenomenology and Indian Philosophy phenomenology and time consciousness edmund husserl founder of the phenomenological movement employs the term "phenomenology"; in its indian philosophy or in sankrit darshanas refers to any of several traditions of philosophical thought that originated in the indian subcontinent including Phenomenology and Indian Philosophy:

6 of 7 review helpful Rare discussion of important cross cultural phenomenology By Mr Sutapas Bhattacharya I came to this book as part of my research into integrating yogic phenomenology and science after reading books like Naturalizing Phenomenology and The View from Within which tried to link Husserlian phenomenology to science I wanted to clarify the relations between Husserl's use of terms such as Pure Consciousness Addresses not only the basic theme of phenomenology but its aesthetic social psychological scientific and technological aspects as well This book shows the close relation between the phenomenology of the West and the phenomenological approach taken by Indian thinkers both classical and modern It illustrates that the underlying spirit of phenomenology and hermeneutics has been consciously followed by Indian philosophers for centuries and is not Phenomenology and Indian Philosophy addresses not only the basic theme of phenomenology but its aesthetic social psychological scientific and technological aspects as well About the Author D P Chattopadhyaya is Ch
