From Brand: Wilder Publications : The Upanishads the sacred books of the east started off with the max mller translation of the upanishads; complete extexts of these key works are available here this edition swami sivananda on the significance and glory of the upanishads The Upanishads:

2 of 2 review helpful False advertising By Russell Dorward Maybe The Upanishads had something to do with this book but it is really a commentary not a translation at all The text actually mentions things such as man discovering atoms then electrons Obviously this is not the translation of a 4000 year old poem There is no distinction in the text between what is original and what is commentary After reading this book The Upanishads are early philosophical texts of the Hindu religion The Upanishads represent the loftiest heights of ancient Indo Aryan thought and culture and are regarded as direct revelations of God Because these teachings were usually given in the stillness of some distant retreat where the noises of the world could not disturb the tranquillity of the contemplative life they are known also as Aranyakas Forest Books This version is a translation of Swami Parama About the Author Paramananda 1884 ndash 1940 was a swami and one of the early Indian teachers who went to the United States to spread the Vedanta philosophy and religion there He was a mystic a poet and an innovator in spiritual community living
