**By Osho : Heartbeat of the Absolute: Discourses on the Ishavasya Upanishad** Heartbeat of the Absolute:  
Discourses on the Ishavasya Upanishad:

4 of 4 review helpful A book that will change your existence By Rasmus K Weinhardt This is one of the two most important books of Osho the other being The book of Secrets The Isha Upanishad is not easy to understand for Westerners since our inherent materialistic way of thinking can only see apparent contradictions in this ancient text Osho teaches us to understand this powerful Upanishad by explaining the
