By S.S. Barlingay : Reunderstanding Indian Philosophy; Some Glimpses Reunderstanding Indian Philosophy;
Some Glimpses:

What is Philosophy Is it determined by any geographical boundaries Does it emerge out of cultural patterns of the society With such and other basic questions Prof Barlingay analyses the concepts theories and trends in philosophy as they have developed in our sub continent over the ages Although this account of philosophy is called Indian he emphasises that the issues discussed by the ancient and medieval philosophers are essentially abstract and there is nothing Ind Language Notes Text English
