By Heinrich Zimmer : Filosofías de la India (Ensayo Sexto Piso) (Spanish Edition) Filosofías de la India (Ensayo Sexto Piso) (Spanish Edition):

One of the first great undertakings that introduced Eastern philosophy to the Western world this collection of Heinrich

Zimmer's work compiled posthumously by his protégé Joseph Campbell explores the symbols and myths of Indian wisdom. The immense range of Eastern beliefs is separated into two types of philosophies: the first of which applies to daily life and the second of which describes. This volume represents Zimmer's major contribution to our understanding of Asia. It is both the most complete and most intelligent account of this extraordinarily rich and complex philosophy.
