Vaisnava Interpretation of the Brahmasutras: Vedanta and Theism (Indian Thought):

Brahmasutras BS is a corpus of Vedanta. Although an interpretation of the central teachings of Upanisads BS has itself been a subject of numerous hermeneutical forays. It somehow suited the Orientalist and Hindu scholars since the early 19th century to promote one interpretation of this seminal text viz from the monistic view of Advaita. Radically different trajectories of Hindu cultural self-understanding were by and large ignored. One re-interpretation of an impressive document for the enduring actuality of classical texts also in modern India. B. K. Zeitschrift der Deutschen Morgenländischen Gesellschaft 1994. Ein ansprechendes Dokument für die dauernde Aktualität klassischer Texte auch in modernen Indien. B. K. Zeitschrift der Deutschen Morgenländischen Gesellschaft 1994.
