We are grateful to the authors who wrote papers specially for this volume and kindly gave their permission for printing

them together None of these papers appeared anywhere before Our special thanks are due to the first six authors who kindly responded to our request and agreed to join this new venture which we are calling comparative perspective in analytical philosophy In the introductory essay certain salient points from each paper have been noted only to serve as a starting point for the reader From the reviews The aims of the collection are to extend the horizon of philosophical analysis as it is practiced today and to open up a new area of contemporary philosophical research The authors
