everything in the open world kite demo is running in real time in unreal engine 4 at 30fps in addition to unreal engine 4 open world features kite aug 17 2014
this was the first archviz interactive project using unreal engine 4 you can check more photo realistic scenes using ue4 in our channel subscribe https
From the unreal to the real:

2 of 2 review helpful Great Book for Advaita Seekers By Carlos Great book about the philosophy behind self realization This book can be a little challenging at times but that is exactly how it should be In order for the information contained in it to be meaningful to you it has to be pondered and meditated upon The fact that the book requires some effort read and understand ensures that by the time you are done you h Vedanta is not mere intellectual speculation but a way of life It is the flower of all Indian thought culminating in the realization of the Supreme Truth having no boundaries geographical or otherwise Vedanta is for all The Sages of the Upanishads always prayed Lead us from the Unreal to the Real The teachings of Vedanta show the path which takes one to the Real from the Unreal This book is a compilation of Swami Bhashyananda s lectures spanning 20 yea
