Autobiography of A Yogi by Paramahansa Yogananda-paperback-Thirteenth edition, 1998-reprinted 2000.:

87 of 95 review helpful Good but the original version with the blue cover better By M It s hard to give this book less than 5 stars because I highly recommend it and it can completely change your life I originally read the version with the blue cover which I found out later is apparently the one that wasn t edited after Yogananda s death Many years later I repurchased this red cover version because it came with the free C Nice clean tight paperback copy Front cover slightly bends backwards is only real flaw All pages clean intact and unmarked
