**By R King : Indian Philosophy. an Introduction to Hindu and Buddhist Thought** introduction genuinely philosophical thought depending upon original individual insights arose in many cultures roughly contemporaneously karl jaspers termed the indian philosophy or in sankrit darshanas refers to any of several traditions of philosophical thought that originated in the indian subcontinent including Indian Philosophy. an Introduction to Hindu and Buddhist Thought:

2 of 2 review helpful best introduction By Hydra I have been waiting for a book like this for many years Well written well organized as a learning tool much of the information and unfamiliar vocabulary is repeated and reintegrated into the development of the main themes Makes it almost inconceivable that someone could understand the development of Buddhism without the larger Indian context laid out there Unfortunately Will be shipped from US Used books may not include companion materials may have some shelf wear may contain highlighting notes may not include CDs or access codes 100 money back guarantee
