By Arthur Berriedale Keith : The Samkhya System, a History of the Samkhya Philosophy, Vol. 2 (Classic Reprint) the samkhya system vol 2a history of the samkhya philosophy classic reprint document about the samkhya system vol 2a history of the samkhya philosophy samkhya philosophy classic reprint that can be search along internet

in excerpt from the samkhya system vol 2 a history a history of the samkhya philosophy The Samkhya System, a History of the Samkhya Philosophy, Vol. 2 (Classic Reprint):

Upanisads it is undoubtedly possible to trace certain leading ideas The most important of these doctrines is beyond question that of the identity of the self A tman of the individual with the Brahman which is the most universal expression for the absolute in which the universe finds its unity It is probable enough that these two expressions are not intrinsically related and that they represent two different streams of thought The Brahman is the devotion of the B
