By Max Müller : The Six Systems Of Indian Philosophy dedicated to all those who love hinduism and its sublime philosophy and practise its teachings vedanta one of the six systems darshan s of indian philosophy the term vedanta means in sanskrit the conclusion anta of the vedas the earliest sacred The Six Systems Of Indian Philosophy:

0 of 0 review helpful Best book on the topic By swati_91 One of the better expositions on the six Darsanas which are often ignored by modern writers This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent

typographical errors strange characters and confusing formatting and does not adequate About the Author Max Muller 1823 1900 was a professor at Oxford University and a pioneer in the study of comparative religion He provided the earliest English translations of many of the Hindu and Buddhist scriptures
