By John Martin Woolsey : Symbolic mythology and translation of a lost and forgotten language Symbolic mythology and translation of a lost and forgotten language:

0 of 0 review helpful Lunacy mostly By Karan M Murtha I usually enjoy books on the relationship of myth and symbolism and comparative myth but I tired of this work In my opinion the author went too far in equating figures and events from myths to the Moon and its cycles I was intrigured by the seeming correspondence between the new moon and mythical tales of death and resurrection However the many comparisons began This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original

work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequate From the Publisher Kessinger Publishing reprints over 1 500 similar titles all available through com
