By Henry Thomas Colebrooke : Essays On the Religion and Philosophy of the Hindus the relationship between religion and science has been a subject of study since classical antiquity addressed by philosophers theologians scientists and others books published by the divine life society are being made available for free on the internet in pdf and html formats Essays On the Religion and Philosophy of the Hindus:

This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange

characters and confusing formatting and does not adequate
